

Coram Invites You to Attend Webinar Series for Healthcare Professionals

As the leader in home infusion therapy, we strive to continuously enhance patient care and professional growth by advancing the knowledge, skills and understanding of infusion and Nutrition Support therapies, promoting best practice and positive patient outcomes. Please join our clinical experts for a series of webinar panel presentations and seminars (1 hour in length). Group presentations may be organized in your facility, or you may also request access through your personal computer.

CE credits* — 1 credit hour per webinar for CCM, RNs and SWs will be provided upon attendance and completion of evaluations at the end of the presentations. RDs can get credit for all of the nutrition programs via their portfolio plan. Handouts and evaluations will be available at the time of the presentation.
